America Needs a New Foodshed; New York is the Answer!

*Executive Director,
The Center for Agricultural
Development and
Entrepreneurship (CADE)*

Phoebe Schreiner

Phoebe Schreiner, the Executive Dir. of CADE, has worked with some of the world's most high profile social and economic development organizations, including the United Nations, the U.S. State Department (via USAID), the National Democratic Institute for International Affairs, and the Open Society Foundations. CADE's mission is to increase the number and diversity of successful farm enterprises and related businesses in upstate New York.
